Green Onion Slicer Plus

(Pan not included)

In one smooth motion Nemco's heavy-duty green onion slicer produces mounds of fresh sliced green onions (or other vegetables and fruits) as needed in precision-cut 3/16-inch slices.

The Green Onion Slicer's wall mount design saves valuable counter space. It's easy to operate, slices faster than a knife or scissors and the razor sharp blades are individually replaceable.

Use Nemco's Green Onion Slicer on: green onions • cucumbers • strawberries • olives • mushrooms • green bell peppers • bananas
